Date of Birth: 26.05.1987
Nationality: Argentine
Work permit for Germany
City: Hamburg, Germany.

PROFILE

I am a software developer looking for a Full-Stack/Front-End position in a challenging environment with learning opportunities.   A proactive personality with good communication skills make me a good team player and both my soft and hard skills can bring value to a company by delivering solutions on time. During my 10 year experience in the education branch I implemented critical thinking, empathy and resilience in my day to day work.

SKILLS

Front-End Library: ReactJS
Prog. Language: JavaScript
Coding Environment: NodeJS
Framework: ExpressJS
DDBB: MySQL, PostgreSQL
Tools: JQuery, Handlebars, VueJS, ReactJS, Redux.

LANGUAGES

English - Proficient
German - B1 Level
Spanish - Native
